**STATISTICAL SUMMARY**

**October Update**

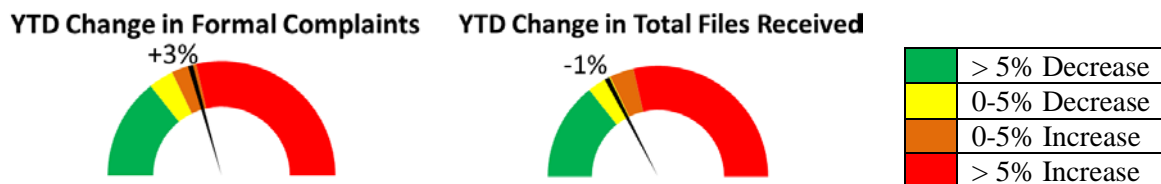

**1. RECEIVED FILES**

The following figure shows the number and type of files received during the month of October. Blue colours represent informal files and red colours represent formal investigations. Lighter shades indicate internally generated files and darker shades indicate externally generated files. As can be seen below, during the month of October, PSB received 86 informal files and 16 formal complaints.

*Figure 1-1. Type of Files Received During October*

The following figure shows the year-to-date percentage increase or decrease in formal complaints and total files compared to 2012 values. The difference in formal complaints represents an increase of 6 investigations, and the difference in total files received represents a decrease of 10 files.

*Figure 1-2. Year-to-Date Changes in Files Received*

## 2. CURRENT WORKLOAD

The following figure displays the status of all open PSB files. As of October 31, 2013, PSB had 425 open investigations; 244 of those files are *Police Act* or statutory investigations. The remaining files are informal concerns received internally or from the public. An investigation is listed as “Suspended” when it is not currently being advanced. Reasons for suspending a file may include executive review of the investigation, disciplinary hearings, criminal investigation, or court proceedings. An investigation is listed as “Forwarded” when it is ongoing but not under the control of PSB. Reasons for forwarding a file may include supervisory reviews, obtaining legal opinions, or investigation by outside investigators.

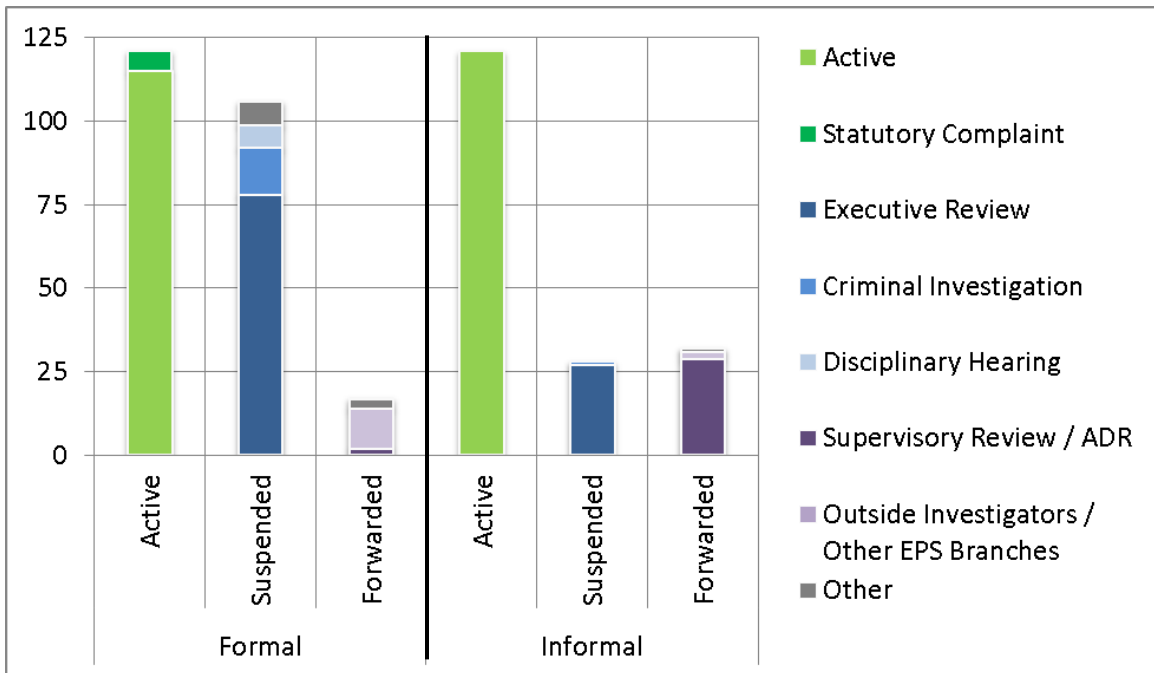

Figure 2-1. Status of All Open Investigations and Reasons for Suspension or Forward

The following figure shows the age and status of all open PSB investigations. Each individual marker (i.e., diamond, circle or triangle) represents one investigation; thus the number of open investigations from a given time period is indicated by the density of the markers.

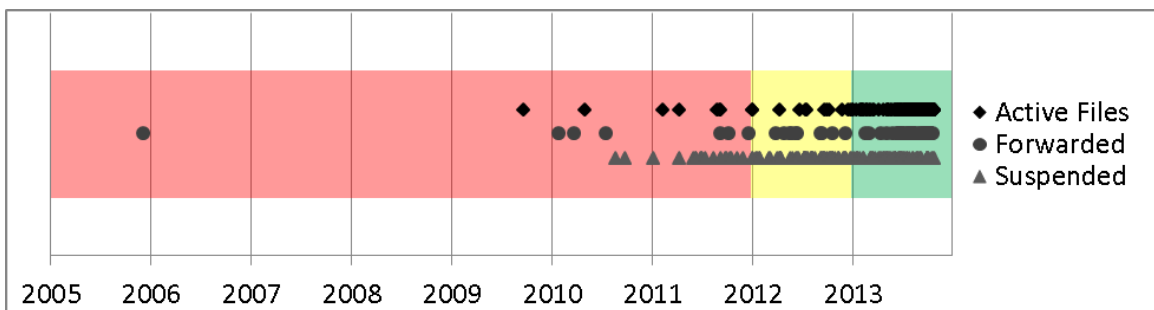

Figure 2-2. Age and Status of All Open Investigations

The following figure shows the stage of investigation for formal complaints by month. The stages of investigation include Clarification (interviewing the complainant to determine the specific details of the complaint), Collection (collection of evidence and witness interviews), Subject Officer Interviews (explanatory reports and/or interview of the subject officer), Report (compiling the final report) and Executive Review. Investigations may also be pending other processes (e.g., dispute resolution, legal review, hearing, etc.) or may be undetermined (e.g., for complaints that are not proceeding to formal investigation).

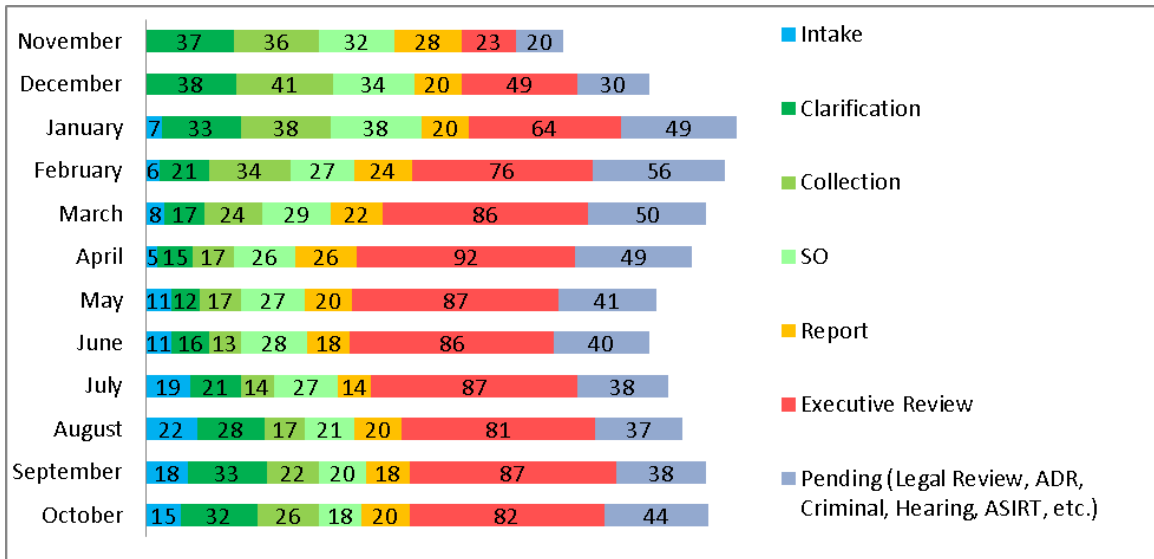

Figure 2-3. Monthly Comparison of Complaint Stages

The following figure breaks down the 82 files marked above as being in the Executive Review stage. As seen below, 10 of the files are less than 6 months old, 27 files are currently being reviewed by an investigative manager and 39 are being reviewed by the Inspector. The remaining 16 files (“Other” category) may already be concluded or are awaiting review outside of PSB (e.g., by the Commission or the Chief).

### 3. CONCLUDED FILES

The following figure shows the disposition of all files concluded during the month of October, including 4 Statutory Complaints, 19 formal complaints, 42 Citizen Contacts and 5 EPS Matters.

## COMPLIMENTS

---

---

During the month of October, seventeen (17) letters of appreciation were entered by the Edmonton Police Service. Professional Standards Branch would like to present five (5) of these letters.

**1.**

I would like to extend a huge thank you to two wonderful officers, Reg #3440 Cst. Martin and Reg #3265 Cst. Melney, that were so kind, friendly and helpful this evening.

I was volunteering at the Youth Conference at City Hall and parked in a hurry and when I came out forgot where I had 'angle parked' two hours prior.  
I recently moved here from BC so not familiar with the downtown area. I realize a Friday evening is probably a busy time for them but they took the time to help anyway.

Thank you ever so much.

**2.**

My name is (deleted) and last night two constables from the southwest division Cst. Elias Aris and Cst. Kelsey Mercer saw that I was having trouble with my truck came over and asked if I was ok. I ran out of gas after finishing my shift at (deleted) and drove me to and from the gas station. They did not have to but did. I want you to know after all the bad publicity the EPS is getting lately this proves you have good cops in the force. Thank them for me.

**3.**

Good Evening,

Today myself and another person went into the Northeast Division police station with some inquiries about how to proceed with a situation involving stolen plates, involved in an accident.

We spoke with Dallas Koenig Reg# 3058, on two occasions today, the 11th of October 2013, and he was extremely helpful in providing us with the proper information and ensuring we had all the information we required and understood the situation completely. He could not have conducted himself in a more professional, and friendly manner, projecting sympathy for the situation and doing everything he could to assist. He is an excellent first introduction for myself in regards to dealing with the Edmonton Police Service, and is a credit to your organization, and is deserving of recognition.

Regards,

4.

Good day.

Our house was recently broken into while we were at home. We contacted EPS. The response was amazing. They were at my house within a couple of minutes. A big thank you to officer Cst. Denis Plesa Reg #3078. He was extremely professional. He did everything he could to assist us. His conduct and professionalism were exceptional. And a great thank you to the dog response unit. Although we never met them, they were out there looking and searching. Again pass our thanks and gratitude to the officers involved.

5.

Hello Chief Knecht,

I recently organized a conference for head office staff from the Alberta Crown Prosecution Service. When I organize conferences, I always try and get a few speakers from EPS, as they tend to be very interesting, not to mention that their work is so closely related to our own. At our recent conference, we had the pleasure of having two sessions involving EPS officers. I just wanted to let you know they did an awesome job, and they did your service proud.

In one session, Detectives Mitch Flaman and Samantha Parker taught us about the polygraph, bias, and detecting deception. They were very knowledgeable, and their presentation was extremely professional. Mitch went out of his way to meet with me ahead of time to ensure the PowerPoint would work perfectly, and they put on a great presentation. I loved all of the examples and videos. Everyone thought they did an excellent job!

The next day, we heard from Sergeant Jared Buhler who spoke about elder abuse, which was his former area of expertise. He was absolutely amazing. I think the EPS is very lucky to have this man, as his compassion and patience are out of this world. The way he spoke to older people is so lovely - you can tell he cares about people and is in policing for the right reasons. He gave a very informative and excellent presentation, and we all learned SO MUCH about elder abuse. As a policy professional, I can definitely see that this issue will only get bigger as the boomers age, and I am happy to have my eyes opened about the types of abuse that can occur to older people. I can't say enough how amazing Jared was, and how impressed everyone was with his knowledge and skills.

I know that it must sometimes be hard for the EPS to let very important and intelligent officers like Mitch, Samantha and Jared take a bit of time off of work to talk at conferences. However, we really do appreciate it, and we all learned a lot from them. You have excellent members in the EPS, and I am proud to know that such amazing people are representing and protecting my city.

Thank you very much.
