**STATISTICAL SUMMARY**

**June Update**

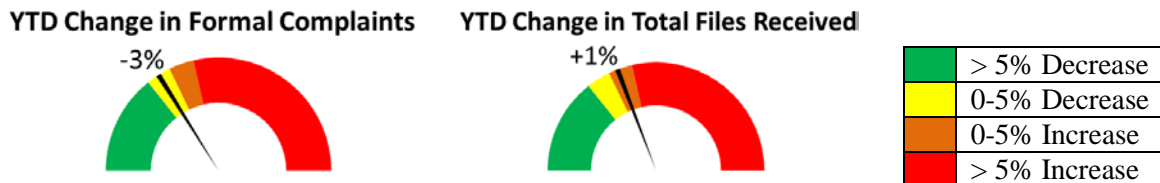

**1. RECEIVED FILES**

The following figure shows the number and type of files received during the month of June. Blue colours represent informal files and red colours represent formal investigations. Lighter shades indicate internally generated files and darker shades indicate externally generated files. As can be seen below, during the month of June, PSB received 79 informal files and 13 formal complaints.

*Figure 1-1. Type of Files Received During June*

The following figure shows the year-to-date percentage increase or decrease in formal complaints and total files compared to 2012 values. The difference in formal complaints represents a decrease of 3 investigations, and the difference in total files received represents an increase of 5 files.

*Figure 1-2. Year-to-Date Changes in Files Received*

## 2. CURRENT WORKLOAD

The following figure displays the status of all open PSB files. As of June 30, 2013, PSB had 385 open investigations; 221 of those files are *Police Act* or statutory investigations. The remaining files are informal concerns received internally or from the public. An investigation is listed as “Suspended” when it is not currently being advanced. Reasons for suspending a file may include executive review of the investigation, disciplinary hearings, criminal investigation, or court proceedings. An investigation is listed as “Forwarded” when it is ongoing but not under the control of PSB. Reasons for forwarding a file may include supervisory reviews, obtaining legal opinions, or investigation by outside investigators.

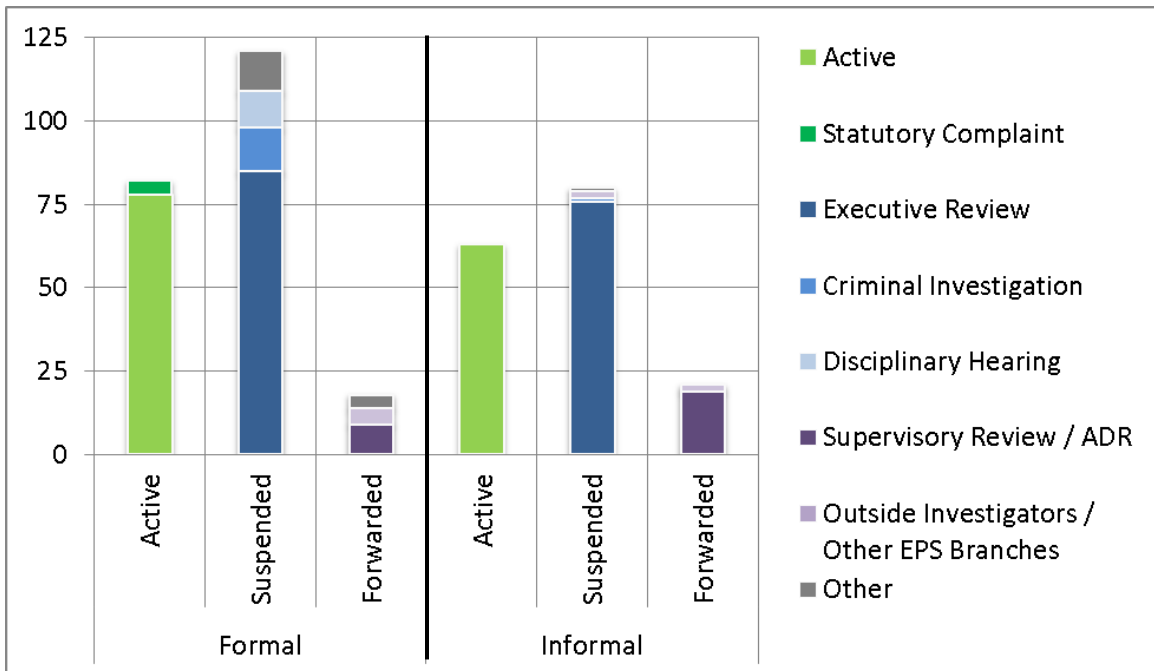

Figure 2-1. Status of All Open Investigations and Reasons for Suspension or Forward

The following figure shows the age and status of all open PSB investigations. Each individual marker (i.e., diamond, circle or triangle) represents one investigation; thus the number of open investigations from a given time period is indicated by the density of the markers.

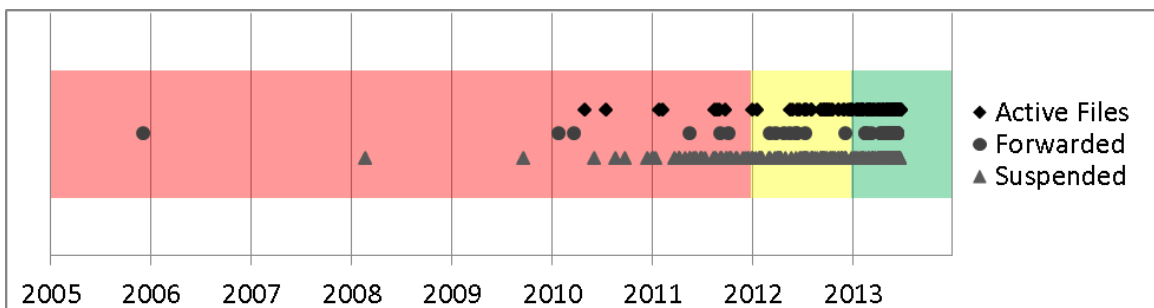

Figure 2-2. Age and Status of All Open Investigations

The following figure shows the stage of investigation for formal complaints by month. The stages of investigation include Clarification (interviewing the complainant to determine the specific details of the complaint), Collection (collection of evidence and witness interviews), Subject Officer Interviews (explanatory reports and/or interview of the subject officer), Report (compiling the final report) and Executive Review. Investigations may also be pending other processes (e.g., dispute resolution, legal review, hearing, etc.) or may be undetermined (e.g., for complaints that are not proceeding to formal investigation).

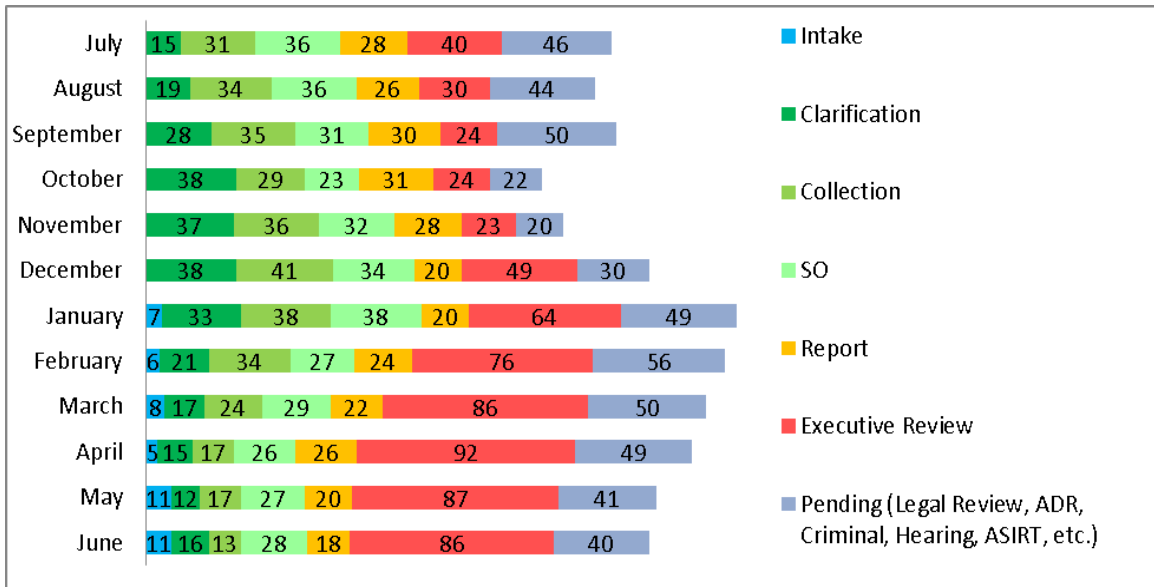

Figure 2-3. Monthly Comparison of Complaint Stages

The following figure breaks down the 86 files marked above as being in the Executive Review stage. As seen below, 13 of the files are less than 6 months old, 36 files are currently being reviewed by an investigative manager and 37 are being reviewed by the Inspector. The remaining 13 files (“Other” category) may already be concluded or are awaiting review outside of PSB (e.g., by the Commission or the Chief).

### 3. CONCLUDED FILES

The following figure shows the disposition of all files concluded during the month of June, including 4 statutory complaints, 18 formal complaints, 19 Citizen Contact files and 8 EPS Matters.

During the month of June, thirteen (13) letters of appreciation were entered by the Edmonton Police Service. Professional Standards Branch would like to present two (2) of these letters.

**1.**

As a single mom and a busy executive, I still get a little nervous when leaving my adult children home alone. My daughter, who is 20 was home alone tonight when I was away on business and she was surprised to see a black truck parked blocking our garage access when she came home about 9:30 pm. She circled the alleyway and saw the truck was gone, so she pulled in the garage and went in the house. She continued to notice the truck circling the block and finally parking in front of our house with someone sitting in the truck. She later called me to tell me she was worried. After discussing possibilities and making sure it was indeed a vehicle that wasn't a neighbour's or someone visiting a neighbor, we decided to call the police.

The dispatcher was very professional and talked to me on my cell and then called my daughter to get more information. It was less than 5 minutes later when they called my cell to let me know that they had a police car out front, talked to the driver and determined it was an insurance investigator who was investigating a nearby neighbor.

I was very grateful for the very prompt, professional service. I know how hard police work for the community, and I'm sure they don't get as much praise as they deserve. I wanted to let both the dispatcher, the officer and everyone involved in making the service so efficient that you made a nervous mom and daughter feel safe (and able to sleep soundly knowing you are just a call away).

With my appreciation

Hello,

Thank you for reading my email. I want to extend a very sincere thanks to Constable Martin Doherty. This gentleman has been assisting me with an annual Child Find event that we hold in June at the RBC Royal Bank, 804 Parsons Road, Edmonton. For the past four years, Constable Doherty has done this willingly and without hesitation and I am truly grateful for his efforts. We value his presence in the community and grateful for his assistance. The children had a great time sitting in the police car with the siren and controls as parents watched on trusting this will be the only time they are in there. The goodies were appreciated as well. During our last Child Find event on Saturday June 8, I learned that Constable Doherty was attending our event on his day off. Wow!

I am very proud and honored to know Constable Doherty and he is a class act!!!! It has been a pleasure and a privilege to have Constable Doherty at our annual Child Find event.

Please extend a very sincere thanks to Constable Doherty. He truly is an extraordinary individual and I can rest easy knowing that this outstanding police officer is ensuring the safety of the citizens of Edmonton.

Cheers and salute to you Constable Doherty!!
